CHITWOOD ITEMS.
Honey finds a ready sale this year, and seems to be of superior quality.

The majority of the people in this neck o' the woods have gone, are going, or talking of going to the valley to pick hops.

The little rains the latter part of last week did a lot of good to the late potatoes and grass, besides laying the dust and cooling the air.

Chittim peeling is about over for the year and some have made a good score at the business. We understand the price of bark has an upward tendency.

J. E. Wilson has a wonderful apple tree, which is only two years old from the graft and displays to large, luscious red apples. It is called the Bismarck.

Mrs. L. F. Pepin had a narrow escape the other day in crossing a bridge over Simpson creek. The horses broke through, but being a small bridge, the wagon and Mrs. Pepin didn't follow. TILICUM.

PREVENTED A TRAGEDY.
Timely information given Mrs. George Long, of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors, but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her; and she writes, this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of its power to cure all throat, chest and lung troubles. Only 50c and \$1.00. Guaranteed. Trial bottles free at O.O. Krogstad's drug store.

JOHNSON ITEMS.
The cannery hasn't begun work yet this season.

Hoyt Parmele has been laid up for awhile the result of contact with poison oak.

Charles Ball and Archie Stephens started with their pack train the other day, and sowed fish along the Newport road.

Abe Logan said he had rope enough to reach to Grand Round. We can't tell what for, unless he will stretch it, and when going out will hang on the rope to keep from getting lost in the mud.

Clarence Parmele started out with a load of fish the other day, and while going down hill his horses balked, and in a little while a wheel collapsed. Such a time as the people do have on that Salmon River road! SNOWFLAKE.
